

4-H₂O Day Camp 2008

"To Make the Best Better"

Tel: 864-654-3954

The 4-H₂O Day Camp is offered for youth ages 8-12. Lake Keowee and local streams serve as the classroom for this water resources program. Youth collect water samples, observe microscopic and macroscopic life, conduct water quality experiments, and explore tributary streams. Not only do the participants learn about enhancing and preserving the intricacies of the aquatic ecosystem, they also learn about the basic techniques of fishing, bait-crafting, and orienteering.

The camp in June will take place on both land and on pontoon boats Mile Creek County Park, while the camp in July will utilize local streams in the Easley area. Registration is \$25.00 and participants receive a certificate of completion, t-shirt, program supplies, morning snack and a hot dog lunch on the final day. Registration is limited to 15 paid registrants per camp.

By integrating classroom teaching methods with hands-on activities, the 4-H₂O Day Camp has successfully educated numerous youth participants.

We at the Clemson Extension Service and believe that this program will ultimately benefit the entire community by enhancing environmental awareness.

If you have any questions please feel free to contact the Pickens County 4-H Agent, Marguerite Porter.

Clemson University Cooperative Extension Service offers its programs to people of all ages, regardless of race, color, gender, religion, national origin, disability, political beliefs, sexual orientation, marital or family status and is an equal opportunity employer. Should you require special accommodations due to a disability, please notify our office at least ten days prior to the event.
