4-H members belong to active 4-H clubs. An active club involves parents as well as 4-H youths. 4-H strongly encourages parental support and guidance for both the individual child and the club to which he or she is associated. Your cooperation and help make a big difference in the quality of the 4-H experience for not only your child but for all the young people whom you come into contact with through 4-H. The children thank you, as well as the Extension 4-H Staff.
